5. Content of the Management Sell-Down Agreement

Purchase of Nexi shares

In accordance with the Management Sell-Down Agreement, the Management Vehicles, as from the date of signing thereof and until the effective date of the Merger, have undertaken to abstain, and to give instructions to the employees and managers holding shares in the Management Vehicles (the **Managers**) to abstain, from purchasing, directly or indirectly, Nexi shares, except if in accordance with the Framework Agreement or as part of any employee incentive plan that may be agreed upon between the Management Vehicles and/or Managers and Nexi after the date of signing of the Management Sell-Down Agreement.

Sale initiated by the Management Vehicles

In the event that, after the completion of the Merger and without prejudice to the terms of the Lock-up Letters, one or more Management Vehicles shall propose to sell, transfer or dispose in any other way of the Nexi shares (the **Proposed Disposal**), the latter shall give written notice thereof to the

Investors (the **Disposal Notice**). Upon receipt of a Disposal Notice, the Investors and the respective Management Vehicles shall discuss in good faith the terms and the amount of a coordinated sale of a portion of their respective Nexi shares (the **Sell-Down**). If, within 5 Business Days after the receipt of the Disposal Notice from the Investors, no agreement on the Sell-Down is reached, the Management Vehicles at hand shall be free to proceed with the Proposed Disposal. If an agreement on the Sell-Down is reached, the Management Vehicles participating in such agreements undertake to enter into lock-up agreements in relation to their Nexi shares which are not subject to the Sell-Down, provided that such lock-up agreements are (i) for a period not exceeding 90 calendar days from the date of completion of the Sell-Down and (ii) subject to the terms of the Lock-up Letters.

Sale initiated by the Investors

In the event that, following the completion of the Merger, one or more Investors propose to sell, transfer or dispose in any other way of the Nexi shares (the **Proposed Disposal of the Investor**), notice shall be given to the Managers (the **Disposal Notice of the Investor**). Upon receipt of the Disposal Notice of the Investor and before the completion of the respective Proposed Disposal of the Investor, the representatives of the Managers shall confirm (the **Notice of Participation**) the maximum number of the Nexi shares that the Management Vehicles (the **Participating Vehicles**) are willing to sell in respect of the Proposed Disposal of the Investor (the **Managers' Shares**) and the minimum gross price for each of the Nexi share at which the Participating Vehicles will sell the Managers' Shares (the **Floor**), provided that the Managers' Shares may not include Nexi shares subject to restrictions pursuant to the Lock-up Letters. If a Notice of Participation is received within a reasonable period before the completion of the Proposed Disposal of the Investor, the Participating Vehicles shall be entitled to sell the Nexi shares at the same conditions as the Participating Investors in the Proposed Disposal of the Investor (the **Participating Investors**) and in an amount determined by a formula set forth in the Sell-Down Management Agreement and provided that (i) the gross price for each of the Nexi shares is equal to or above the Floor, (ii) the number of Nexi shares to be sold by the Participating Vehicles does not exceed the number of the Managers' Shares and (iii) if the number of the Nexi Shares that the Participating Investors are able to sell shall for any reason be lower than the number of the Nexi shares indicated in the Proposed Disposal of the Investor, the number of the Managers' Shares to be sold will be subject to a pro rata reduction. If a Disposal Notice of the Investor is delivered, each Participating Vehicle undertakes to enter into customary lock-up agreements in relation to its shares, provided that such agreement does not exceed ninety calendar days following the date of completion of the Proposed Disposal of the Investor.

Transfer to the Managers

In the event that a Management Vehicle sells, transfers or disposes in any other way of direct shareholdings in the Nexi shares to a Manager, also by means of distributions by a Management Vehicle, which results in a Manager holding an amount exceeding Euro 5,000,000 in aggregate Nexi shares, such Management Vehicle shall ensure that the respective Manager commits himself towards the Investors to comply with the provisions of the Management Sell-Down Agreement, by deed of accession or otherwise (such sale, taxing or transfer being subject on aforementioned commitment by the respective Manager).
