Nexi S.p.A. successfully prices its offer of €1 billion senior unsecured equity-linked Bonds due 2028

Milan, 17 February 2021 – Nexi S.p.A., a *società per azioni* incorporated under the laws of Italy ("Nexi" or the "Issuer"), has successfully priced its offering ("Offering") of €1 billion senior unsecured equity-linked bonds due 2028 (the "Bonds"). The Bonds will not bear any interest.

This bond issuance is the largest euro-denominated and highest premium convertible bond in Italy since March 2015 and the largest ever executed by an European digital payments company. This issuance is Nexi's first zero coupon and allows to extend the average life of its debt, lower its average cost of funding and further strengthen its liquidity position, including in the context of the merger transactions with Nets and SIA which are aimed at creating the European PayTech leader.

The conversion price will be €24.5525, a premium of 52.50% above the Reference Share Price of €16.10, which is equal to the placement price of the Ordinary Shares in the Concurrent Equity Offering (as defined and further described below).

The Bonds will become convertible into ordinary shares of the Issuer (the "Ordinary Shares"), subject to the approval of a resolution for a capital increase excluding shareholder pre-emption rights pursuant to article 2441, paragraph 5, of the Italian Civil Code, to be reserved solely for the service of the conversion of the Bonds (the "Corporate Resolutions"). Following the approval of the Corporate Resolutions, the Issuer will give notice thereof to holders of the Bonds (the "Physical Settlement Notice").

Prior to the Physical Settlement Notice being given by the Issuer, the Bonds will be redeemable at the option of Bondholders during the Settlement Period (as defined in the Terms and Conditions) at the Cash Alternative Amount (as defined in the Terms and

Conditions of the Bonds).

If the Corporate Resolutions are not passed by the Long-Stop Date (as defined below), the Issuer may, by giving a notice to be published no later than 10 dealing days after the Long-Stop Date, elect to redeem all but not some only of the Bonds at the greater of (i) 102% of the principal amount of the Bonds and (ii) 102% of the Fair Bond Value of the Bonds (as defined in the Terms and Conditions of the Bonds). The “Long-Stop Date” will be (i) 31 December 2021, if the Nets Merger Effective Date (as defined in the Terms and Conditions) falls on or before 31 October 2021 or (ii) in any other case, 28 February 2022.

The Bonds, which will be in registered form in the denomination of EUR 100,000 each, will be issued at par and, unless previously redeemed, converted or purchased and cancelled in accordance with the Terms and Conditions of the Bonds, will be redeemed at their principal amount at maturity on or about 24 February 2028 (7 years).

The Issuer will have the right to redeem all but not some only of the Bonds at their principal amount (i) from the day falling 5 years and 15 dealing days after the Issue Date if the Parity Value (as defined in the Terms and Conditions) on each of not less than 20 dealing days in any period of 30 consecutive dealing days exceeds EUR 150,000, or (ii) at any time if 85% or more of the Bonds initially issued shall have been converted, redeemed or purchased and cancelled. The Issuer will also have a customary tax call in the event it is required to gross-up payments, subject to the right of holders of the Bonds to elect not to be redeemed.

Holders of the Bonds will be entitled to require their Bonds to be redeemed at par following a Change of Control or a Free Float Event (each as defined in the Terms and Conditions of the Bonds).

The Bonds will not initially be secured or guaranteed, but may become guaranteed in the limited circumstances set out in the Terms and Conditions, including if, for so long as any of the Issuer’s 1.75 per cent. Senior Notes due 2024 issued by the Issuer on 21 October 2019 (the “Senior Notes due 2024”) remain outstanding, any subsidiary of the Issuer provides a guarantee in respect of the Senior Notes due 2024 in accordance with their terms.

The Joint Bookrunners have conducted, concurrently with the placement of the Bonds, a simultaneous placement (the “Concurrent Equity Offering”) of existing Ordinary Shares on behalf of subscribers of the Bonds who wished to sell such Ordinary Shares in short sales in order to hedge the market risk of an investment in the Bonds, at a placement price of €16.10, determined by way of an accelerated bookbuilding process. The Issuer will not receive any proceeds from the Concurrent Equity Offering.

The net proceeds of the Offering will be used to partially refinance Nets indebtedness following the merger announced on 15 November 2020 and/or for general corporate purposes. Some of the Managers or their affiliates are lenders under the bridge loan which is intended to be partially repaid with the proceeds of the issue in the context of the refinancing of the Nets indebtedness.

The Issuer, on behalf of itself and its subsidiaries, has agreed to a customary lock-up, ending on the date falling 90 days after the Issue Date (as defined below), on issues of Ordinary Shares and certain related securities and similar or derivative transactions relating to the Ordinary Shares, subject to (i) customary exceptions in line with market standards (including pursuant to share options or incentive schemes), (ii) exceptions pursuant to the merger agreements with SIA S.p.A. or with Nets TopCo 2 S.a.r.l. and pursuant to the conversion of the Issuer's €500m 1.75% Equity Linked Bonds due 2027, and (iii) a waiver of the lock-up by the Joint Global Coordinators on behalf of the Managers.

Settlement of the Bonds is expected to occur on or about 24 February 2021 (the "Issue Date").

Application will be made to admit the Bonds to trading on the Vienna MTF operated by the Vienna Stock Exchange no later than 90 days after the Issue Date.

BofA Securities Europe SA, J.P. Morgan AG, HSBC Continental Europe, Credit Suisse Securities, Sociedad de Valores, S.A. and IMI - Intesa Sanpaolo acted as Joint Global Coordinators and Joint Bookrunners of the offering. Citigroup Global Markets Limited, Deutsche Bank Aktiengesellschaft, Mediobanca – Banca di Credito Finanziario S.p.A, Morgan Stanley & Co. International plc and UniCredit Bank AG, Milan Branch acted as Joint Bookrunners alongside the Joint Global Coordinators (together, the "Joint Bookrunners" or the "Managers").

MIFID II PROFESSIONALS/ECPS-ONLY: Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on Markets in Financial Instruments, as amended ("**MiFID II**"); (b) Articles 9 and 10 of Commission Delegated Directive (EUR) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "**MiFID II product governance requirements**"), and disclaiming all and

any liability, whether arising in tort, contract or otherwise, which any “manufacturer” (for the purposes of the MiFID II product governance requirements) may otherwise have with respect thereto, the Bonds have been subject to a product approval process, which has determined that: (i) the target market for the Bonds is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the Bonds to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Bonds (a “**distributor**”) should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Bonds (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

The target market assessment is without prejudice to the requirements of any contractual or legal selling restrictions in relation to any offering of the Bonds.

For the avoidance of doubt, the target market assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Bonds.

Prohibition of sales to EEA retail investors - the Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a “retail investor” means a person who is one (or more) of: (i) a retail client as defined in point (11) of article 4(1) of MiFID II; or (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIIPS Regulation**”) for offering or selling the Bonds, or otherwise making them available, to retail investors in the EEA has been prepared and therefore offering or selling the Bonds or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPS Regulation.

Prohibition of sales to UK retail investors – the Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the UK. For these purposes, a “retail investor” means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“EUWA”); or (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA. Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the “**UK PRIIPS Regulation**”) for offering or selling the Bonds or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Bonds or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPS Regulation.

Forward-looking statements are based on current expectations and involve a number of known and unknown risks, uncertainties and other factors that could cause the results of the Issuer and its group or their industries' actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by such forward-looking statements. future events or otherwise. FORWARD-LOOKING STATEMENTS SPEAK ONLY AS OF THE DATE THEY ARE MADE

Any decision to purchase any of the securities described herein should only be made on the basis of an independent review by a prospective investor of the Issuer's publicly available information. Neither the Managers nor any of their respective affiliates accept any liability arising from the use of, or make any representation as to the accuracy or completeness of, this announcement or the Issuer's publicly available information. The information contained in this announcement is subject to change in its entirety without notice up to the Issue Date.

Each prospective investor should proceed on the assumption that it must bear the economic risk of an investment in the Bonds or the Ordinary Shares to be issued or transferred and delivered upon conversion of the Bonds and notionally underlying the Bonds. None of the Issuer or the Managers make any representation as to (i) the suitability of such securities for any particular investor, (ii) the appropriate accounting treatment and potential tax consequences of investing in such securities or (iii) the future performance of the securities either in absolute terms or relative to competing investments.

Each of the Issuer, the Managers and their respective affiliates expressly disclaims any obligation or undertaking to update, review or revise any statement contained in this press release whether as a result of new information, future developments or otherwise.

The Managers are acting exclusively for the Issuer and no-one else in connection with the Offering. They will not regard any other person as their respective clients in relation to the Offering and will not be responsible to anyone other than the Issuer for providing the protections afforded to their respective clients, nor for providing advice in relation to the Offering, the contents of this announcement or any transaction, arrangement or other matter referred to herein.

In connection with the Offering of the Bonds and the Concurrent Equity Offering, the Managers and any of their affiliates may take up a portion of the Bonds in the Offering and/or may acquire Ordinary Shares as a principal position and in that capacity may retain, purchase, sell, offer to sell for their own accounts such Bonds, Ordinary Shares and other securities of the Issuer or its group or related investments in connection with the Offering, the Concurrent Equity Offering or otherwise.

In addition the Managers and any of their affiliates may enter into financing arrangements (including swaps, warrants or contracts for differences) with investors in connection with which the Managers and any of their affiliates may from time to time acquire, hold or dispose of Bonds, Ordinary Shares and/or other securities or derivate positions in such securities. The Managers and their affiliates do not intend to disclose the extent of any such investment or transactions otherwise than in accordance with any legal or regulatory obligations to do so.

None of the Managers or any of their respective directors, officers, employees, affiliates, advisers or agents accepts any responsibility or liability whatsoever for or makes any representation or warranty, express or implied, as to the truth, accuracy or completeness of the information in this announcement (or whether any information has been omitted from the announcement) or any other information relating to the Issuer, its subsidiaries or associated companies, whether written, oral or in a visual or electronic form, and howsoever transmitted or made available or for any loss howsoever arising from any use of this announcement or its contents or otherwise arising in connection therewith.

The date of admission of the Bonds to the Vienna MTF may be influenced by things such as market conditions. There is no guarantee that admission will occur and you should not base your financial decisions on the Issuer's intentions in relation to admission. Acquiring investments to which this announcement relates may expose an investor to a significant risk of losing all of the amount invested. Persons considering making such investments should consult an authorised person specialising in advising on such investments. This announcement does not constitute a recommendation concerning the Offering, the Concurrent Equity Offering, the Bonds, the Ordinary Shares or any other securities or any derivative transaction in respect thereof. The value of the Bonds and the Ordinary Shares can decrease as well as increase. Potential investors should consult a professional adviser as to the suitability of the Bonds and the Ordinary Shares for the person concerned.
